

BUILT WITH MORE VALUE. MADE FOR OUR NEIGHBORS. SERVICE THAT'S LOCAL.

For more than 40 years, Blue Cross VT has been the state's only local, non-profit health plan, committed to supporting Vermont businesses and the health and wellness of Vermonters.

We're not just a health plan — we're your friends and neighbors. We offer multiple plan options for small and large groups, flexible benefit designs, and several funding arrangements to help you craft solutions to fit your clients' needs and budget. Plus, they get best-in-class account management supported by our proven track record of seamless administration and claim processing accuracy.

Largest and Deepest-Discounted Network.

As Vermont's only health plan, we understand the market dynamics, health plan regulations, and legislative environment in Vermont. Whether it's day-to-day account management or renewal planning, we're here to best serve brokers so they can best serve Vermont employers.

In addition to flexibility, all Blue Cross health plan options include:

Largest network of local doctors and hospitals

Nationwide coverage

Convenient telehealth options—available 24/7

Free, one-to-one support to help members facing health issues

Personalized customer service, right here in Vermont

Thank you for educating your clients on the value Blue Cross VT provides. We're here to help with questions, broker registration, commission schedules, and more.
