Summary:	The Claims Editing Payment policy has been updated to align with our new payment policy format by removing the benefit determination guidance, eligible providers, audit information, and document precedence sections as they are represented in the Payment Policy Guidance Document. Information regarding vendors and sources have also been removed from the policy statement and are now posted to the Provider Policy section of our website. The Global Obstetrical and Obstetrics package edits have been deleted and references to expired global maternity codes (59510, 59618) have been removed.
