

Blue Cross and Blue Shield of Vermont is covering over the counter rapid tests that have Emergency Use Authorization (EUA) from the Food and Drug Administration (FDA). Test kits that do not have EUA or are taken at home but sent to the lab for processing are not eligible for reimbursement at this time.

Vermont Blue Rx Pharmacy Coverage

For those with pharmacy coverage through Vermont Blue Rx, the following at home COVID-19 rapid tests will be covered at the pharmacy:

- InteliSwab Covid-19 Rapid
- BinaxNOW COVID-19 Ag Card
- BinaxNOW COVID-19 Ag Card 2 Home Test
- QuickVue At-Home COVID-19 Test
- QuickVue At-Home OTC Covid-19 Test
- Ellume COVID-19 Home Test

Don't see your test on this list? Call the number on the back of your member ID card.

Reimbursement Coverage

The tests below will be covered through reimbursement if tests covered through the pharmacy are not available, members don't have pharmacy coverage through Vermont Blue Rx, or tests were purchased between December 1 and December 31, 2021.

- BD Veritor At-Home COVID-19 Test
- BinaxNOW COVID-19 Ag Card Home Test
- BinaxNOW COVID-19 Ag Card 2 Home Test
- BinaxNOW COVID-19 Antigen Self Test
- CareStart COVID-19 Antigen Home Test
- Celltrion DiaTrust COVID-19 Ag Home Test
- Ellume COVID-19 Home Test
- Flowflex COVID-19 Antigen Home Test
- iHealth COVID-19 Antigen Rapid Test
- InteliSwab COVID-19 Rapid Test
- InteliSwab COVID-19 Rapid Test Rx
- QuickVue At-Home COVID-19 Test
- QuickVue At-Home OTC COVID-19 Test
- SCoV-2 Ag Detect Rapid Self-Test

Additional tests are continually receiving EUA approval. See the [Food and Drug Administration's list](#) for additional tests that may be covered. Approved tests have a status of "Home" under the "Authorized Setting" column.

See the [complete reimbursement instructions](#) for additional details.
