- Who We Are
Claims Submission Instructions

Go to bluecrossvt.org/providers/provider-forms-resources and click on the appropriate link:

- Professional Billing – see CMS 1500 Form Instructions
- Facility Billing – see UB-04 Billing Instructions
- Corrected Claim Submission

Electronic Claim Submission Guidelines

- bluecrossvt.org/providers/provider-forms-resources
  - See “Electronic Data Interchange Forms and Guides”

Paper Claims – use one of the options below:

- Fax* to “Attention Claims Department” at (866) 334-4232
- Email (must be sent through a secure [encrypted] method) to claims@bcbsvt.com

*If you have an older fax machine and your fax fails, please resend the entire fax from the beginning. Older fax machines tend to resend from the page where the fax started to fail, resulting in an incomplete file being sent.
Your claims must be submitted with accurate coding. You may find the following resources helpful:

- American Psychological Association (apaservices.org): CPT and Diagnostic Codes
- American Psychiatric Association (psychiatry.org): Coding, Reimbursement, Medicare and Medicaid
- ICD-10 Coding: Optum360coding.com
Vermont Blue Cross members have access to certain Mental Health and Substance Abuse services for the same co-payment as their primary care provider visit. To receive the lower co-payment, members must receive services from a network provider and the service must be for one of the CPT or HCPCS codes listed on the next page. If the service is not on the list, a specialist co-payment will apply.

Always verify a member’s eligibility and benefits prior to rendering services. Verification can be done through our secure website at bluecrossvt.org/provider-login or by calling our customer service at (800) 924-3494.
### Reduced Co-payment for Some MHSUD Services (Continued)

Payment Options

Electronic Funds Transfer

- For timely payment, we strongly advise you to sign up for electronic funds transfer. Please visit bluecrossvt.org/providers/provider-electronic-payment for more information.
- Electronic deposits are made every Friday, regardless of holidays.

Paper Checks

- Paper checks are issued every Friday, regardless of holidays, and mailed from a facility in the Midwest.
- Paper checks may be subject to U.S. Postal Service delays.
The Provider Resource Center is our secure website for providers. Registration is required.

Benefits of using the Provider Resource Center include access to:

- Eligibility and Benefit Search
- Claim Status Inquiry
- Prior Approvals/Pre-Notification/Authorizations
- Provider Payment Vouchers

To register, go to [bcbsvt.org/login/provider-resource-center](http://bcbsvt.org/login/provider-resource-center)
Visit [bluecrossvt.org/providers](http://bluecrossvt.org/providers) for helpful information and tools. No registration required.

- Electronic payment/EFT information. Benefits include:
  - Reduced administrative costs
  - Improved cash flow – funds are available to you sooner
  - More secure transactions (compared to paper checks)
- Provider handbook and reference guides
- Medical policies
- Provider demographic and enrollment changes
- Contact us (list of telephone numbers for interacting with BCBSVT)
Frequently Asked Questions

What do I need to know about billing for telemedicine services?

Here is a summary of our telemedicine payment policy:

• Provider must be directly contracted with the BCBS plan operating in the state in which they are physically located while providing services.
• Provider needs to be licensed directly with the state in which the patient is physically located when receiving services.
• Add 95 modifier for CPT codes
• Add GT modifier for HCPCS codes
• Use place of service 02 (used exclusively for telemedicine)
• Use of HIPAA-compliant software is required.
• Services must be covered under the member’s health plan benefits.
• Services must be delivered through synchronized audio and visual sources.
• Provider must obtain patient consent before providing telemedicine services.

The full policy is available at Provider Policies | BlueCross BlueShield of Vermont (bluecrossvt.org)
Can I move out of the service area for Vermont Blue Cross (Vermont and its contiguous counties) and continue to be a participating provider?

No. Once a provider moves out of our service area (even if they are providing telemedicine services only), our ability to contract with that provider becomes limited due to our license with the Blue Cross Blue Shield Association. We can only contract with providers in Vermont or its contiguous counties.
Can I submit separate claims for codes 90846 and 90837 when the services are performed on the same day? For example, I may see the family for counseling without the patient present in the morning (90846), then have a session with the patient alone (90837) in the afternoon.

Yes. Your notes need to support each service. The 59 modifier should be added to the 90837.
For Medicare primary members, do I have to submit claims to Medicare?

It depends on your status with Medicare. If you have opted out of Medicare, you may submit claims directly to Vermont Blue Cross along with your approved opt-out letter from Medicare. Neither the provider nor the patient can submit a claim to Medicare when the provider has opted out.

If, as a provider, you are statutorily excluded from Medicare, you can bypass Medicare and submit claims directly to Vermont Blue Cross for some Medicare add-on plans. If the member has Vermont Blue Cross secondary, the GY modifier can be added to CPT code(s) to allow our system to process the claim without first having to process through Medicare.

However, if the member has a Medicare supplemental plan, they will not have benefits available in the absence of Medicare coverage. The supplemental plan picks up balances owed by the member only when the services are covered by Medicare. Claims for these members must first process through Medicare, and the GY modifier is not applicable.

Be sure to always check the member’s eligibility to ensure they have coverage for the services you provide.
