

September 2026

This is our quarterly newsletter that provides details on our implementation of the new and revised codes for October 1, 2026. Our monthly newsletter will be released at the end of September with all other updates for providers.

Adaptive Maintenance – October 2026

We are in the process of completing our review of the Current Procedural Terminology (CPT®) and Healthcare Common Procedure Coding System (HCPCS) additions, deletions and revisions for October 1, 2026. The new and revised code updates include prior approval, investigational services, unit designation, non-covered services, and informational changes. For full details about the changes, view our notice.
