April 1, 2022

Dear Provider/Facility:

The chart below provides a high-level overview of revised Medical Policies that are effective for dates of service June 1, 2022, or after.

Updated medical policies are posted at least 30 days prior to their effective dates at bluecrossvt.org/provider.

We encourage you to review the medical policies in their entirety. Some of the changes may affect eligible services, non-covered services, services that are not medically necessary, prior approval requirements or investigational services. The changes to these policies may also affect financial responsibilities for members and/or providers.

Policy Title	High-Level Overview
Breast Surgery and Breast	References updated
Prosthesis	Clarification to breast reduction criteria to include
	conservative treatment duration of 3 months
	 Clarification of risk-reducing mastectomy section
