

## Four Easy Steps to CAA Directory Validation

**STEP 1:** Open the link provided in the email – Opening in Google Chrome is the best way to view and complete information.

**STEP 2:** Review each affiliated provider. If no changes, click “No Changes”

If you need to make a change, please check off the appropriate box

Provider Name \*  Practice Name \*  Provider Address \*  Provider Phone \*  Digital Contact \*  Accepting Patients \*  Hospital Affiliation \*  Taxonomy \*  
 Provider Specialty \*  Provider Terminated \*  All \*  No Changes \*

If information needs to be corrected, click into the appropriate box(es) for change(s) needed. The section will expand for you to enter the correct information. For the example below, for an address change, simply fill in any field(s) required by a red asterisk.

If you need to make a change, please check off the appropriate box
