

March 31, 2023

Dear Provider/Facility:

The chart below provides a high-level overview of revised Medical Policies that are effective for dates of service June 1, 2023, or after.

Updated medical policies are posted at least 30 days prior to their effective dates at bluecrossvt.org/provider.

We encourage you to review the medical policies in their entirety. Some of the changes may affect eligible services, non-covered services, services that are not medically necessary, prior approval requirements or investigational services. The changes to these policies may also affect financial responsibilities for members and/or providers.

Policy Title	High-Level Overview
Ambulatory Cardiac Monitors and Outpatient Telemetry	<ul style="list-style-type: none">• Description summary changed from alphabetical to sequence order of procedure testing• Added medical necessity criteria for mobile cardiac telemetry• References updated• Added codes 93224 – 93227 as eligible• Added codes 93228 & 93229 as requiring prior approval• Code 0650T moved from prior approval to medical necessity
